

Says

What have we heard them say?  
What can we imagine them saying?

Thinks

What are their wants, needs, hopes, and dreams?  
What other thoughts might influence their behavior?

Politics is about making agreements between people so that they can live together in group such as tribes cities or countries

In large groups, such as countries, som people may spend a lot of there time making such agreements

These people are called politicians

On average 14.8 cadidates are contesting per constituency acroos the counry

The government has doding his duty in proper manner

There are 8,039 candidate contesting for 542 parlimentary constituency seats

Because politics exists people elect their own leaders

Doing takes that people need

Politics protects people and reduces differences between people.

All art is political in the sense that it serves someone's politics

Iam not political . It is not my job but would be happy if politicians read my work and draw some conclusion from it .

Iam not political person so I Cannot comment on politics.

Does

What behavior have we observed?  
What can we imagine them doing?

Feels

What are their fears, frustrations, and anxieties?  
What other feelings might influence their behavior?
